YES

NO:

Additional Information

The waiting list is in order of application although through our affiliation with the University of Melbourne we attempt to maintain an overall figure of 70% University affiliated families and 30% community based families, in conjunction with regulatory priority. All applicants are contacted in September each year and are asked to indicate their requirements for childcare. We endeavor to have placements for each new year finalized by 30th October each year. This is not always possible as many families needs change between October and February of the following year. If you require childcare throughout the year places can only be offered when they become available.

We are currently running pre booked tours on Tuesdays. Please ring to book in an individual tour time

When offered a placement you will be sent a letter of offer with a \$250.00 booking fee which is not refundable if you cancel the place prior to your child attending the centre.
